

Christine Silva

UI/UX Designer & Web Developer

Facebook

LinkedIn

Hello.

Here's who I am and what I do

Front-End Web Developer with 7 years of experience in designing and developing responsive, user-friendly websites and web applications. My technical skill set includes HTML, CSS, JavaScript, and the Bootstrap framework.

I have experience building custom WordPress websites using the Avada Theme Builder, including developing e-commerce platforms with WooCommerce. I've also worked on Shopify-based online stores, supporting various business needs. Additionally, I have worked on UI/UX design for both web and mobile applications, creating wireframes, prototypes, and mockups using Figma and Adobe XD.

I am also familiar with integrating secure online payment systems, including PayMongo, Paynamics, and PayPal. I approach each project with attention to detail and a focus on creating effective and user-centered digital solutions.

Work Experience

Freelance UI/UX & Software Designer Sept 2024 — May 2025
Various Clients (Confidential, MoneyMart PH, FYDesigns)

- Designed a responsive, cross-platform interface (web, tablet, and mobile) for a social media app with features including a marketplace, flight booking, and light/dark mode support using Figma.
- Created web layout mockups for a financial services website offering credit cards, personal loans, and business loans, using Figma.
- Provided design support for a catering services brand, contributing to UI/UX improvements and visual direction.

Web Developer May 2018 — June 2024
Springboard Philippines

Over the past six years, I have focused on front-end web development and UI/UX design. I specialize in building responsive website interfaces and creating mockups for web and mobile platforms using Figma. I am proficient in WordPress (Avada Theme Builder), Shopify, and writing custom code using frameworks and tools such as CodeIgniter, Laravel, Tailwind CSS, Bootstrap, HTML, CSS, and JavaScript.

Freelance WordPress Developer Feb 2024 — Apr 2024
Philippe Gadgets & Accessories, Inc.

As a freelance WordPress expert, I design dynamic showcase websites customized for Philippe Gadgets & Accessories, seamlessly integrating style and functionality to highlight their cutting-edge products.

Freelance Shopify Developer Feb 2022 — March 2022
Euroo Global

I'm a Freelance Shopify eCommerce expert who's committed to making the Euroo website a great place to shop online. Using modern design and easy-to-use features, I make a fantastic online store that shows off Euroo's products and gets customers excited to shop.

Freelance Web Developer April 2019 — May 2019
Lyceum of the Philippines University — Batangas City

I specialize in crafting custom websites tailored for graduating students, featuring secure user registration to collect and manage their information. These websites are fully mobile-responsive, with user-friendly interfaces and strong security measures to protect sensitive data.
